We are shure it's worth it !

scheduled new releases:

Since turn of the year we are proud to have **Bernd Kistenmacher**, one of the most famous EM-musician of the last decades, aboard. In spring 2009 Bernd will release his new album "Celestial Movements" on MellowJet-Records. His detailed biography with photos, information and many more is available on our website. Check the latest interview with Bernd Kistenmacher:

<http://www.cosmiccagibi.org/Bernd-Kistenmacher-interview-gb.htm>

Furthermore, the first EM-album of **Dennis Dithmar** from Denmark will be released at MellowJet-Records within the following months. All news will be available on our website.

In addition:

New album from moonbooter available ~ april 2009

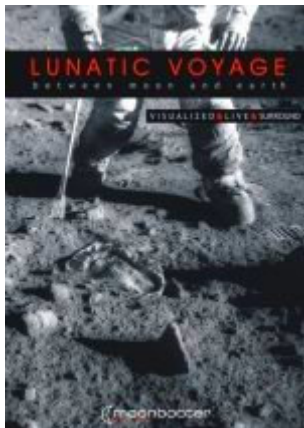

New album from Uwe Reckzeh

The following months will become exciting!

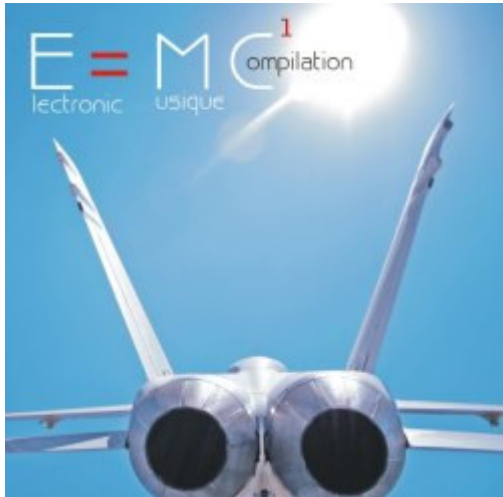

current new releases:

moonbooter - lunatic voyage THE DVD

VISUALIZED & LIVE & SURROUND

Finally, the album „lunatic voyage“ is available as DVD in stereo and 4.1 surround-sound. This DVD contains all videos from past live-concerts plus 3 additional bonus-videos. You can find some DVD-captures and 2 videos in full length on our website.

The sampler "Eletronic Musique Compilation 1" is still available for free download on our website!

MellowJet-Records supports the Schallwelle-Preis

<http://schallwelle-preis.de/>

Voting possible since Feb. 15th, 2009 !

That's it for the moment. Detailed info as usual on www.MellowJet.de.

Thanks for your time and maybe we will meet at Planetarium Bochum on Feb 14th.

With cosmical greetings,

Yours

Bernd "moonbooter" Scholl
